Stew Fest Market

Vendors– Business Promotion– Shopping

On July 1st, the Chamber will begin accepting vendors for the *Stew Fest Market*, which will be located on the south side of Buford Park during Friday night and Saturday Stew Contest activities. This is a great opportunity to sell goods or to promote your business to 7,000 people who attend the Stew Contest annually.

Vendors may rent booth space to sell goods or distribute information about their business. Booths will be assigned on a first-paid basis. Access to electricity is not guaranteed. Generators are permitted. Desserts may be sold, but no other food or drinks may be distributed.

Vendors who are interested in purchasing booth space, call the Chamber of Commerce at (903) 885-6515.

Booths are limited in number and are available for \$75, which includes a 10' x 15' space. Electricity is not guaranteed. Vendors are welcome to hand out giveaways and/or conduct prize drawings from the booths.
